

Feedback analysis and action taken report.

Academic year 2023-2024

Al-Badar Dental College & Hospital has systematic and formal mechanism of collecting and analyzing feedback from stake holders-Students, Staff, Professionals & Alumni as per the SOP.

The action taken report based on the feedback analysis for the academic year 2023-2024

Sr.No	Stake holder	Issue raised	Action taken
1	Students	It was suggested that syllabus of the course that you have studied in relation to the competencies expected out of the course	Dentistry course that aligns with expected competencies which involves outlining key topics and skills essential for dental practice has been implemented and followed.
		It was suggested that laboratory facilities of the college must be improved.	Up gradation of laboratory facilities is in progress to provide high-quality education and training to dental students, enhancing their diagnostic skills and preparing them for successful careers in dentistry.
2	Staff	Curriculum providing opportunity for conducting research among students must be improved.	Students are encouraged to carry out research projects, scientific paper presentation, poster presentation under the guidance of staff. Students are encouraged to attend conferences, workshop, CDE programs.
		Improve the approach in interdisciplinary learning.	Interdepartmental presentations are conducted.
3	Professionals	Case based approach is needed.	Interactive Learning methods such as role-playing, group discussions, presentations, and various hands-on workshops were conducted to engage students.
4	Alumni	Exposure of clinical skills during internship program.	All the HOD's of clinical departments were informed to improve the work quota of interns & make it mandatory to complete the work quota.
5	Employers	No issue was raised	Still the communication skill and capability enhancement workshop were conducted to improve the student from good to excellent.
