MENTOR MENTEE INTERACTION

The allotted staff (mentor) and students (mentee) interactive session is carried out where the mentee share their academic as well as personal issues. All the issues are addressed and resolved on an individual platform.

Mentors provide expertise, experience, and support. Academic related issues are addressed, and mentors provide key literature, study materials and assures that the mentor meet with the expectations and standards of the scientific discipline which helps the mentee to build up confidence early career productivity and professional success.

Mentor Mentee Interaction

Dr Syeda Arshiya Ara MDS, PhD conducting group interaction with mentees where the problems of academic and general issues are addressed, documented and resolved

Dr Syeda Arshiya Ara MDS, PhD conducting individual interaction with mentee where the personal problems and other issues are addressed, documented and resolved
