PARENT-TEACHERS MEETING OUTCOME ANALYSIS

The outcome of the meeting in the following year has been:

- The parents and the students were aware of the rules and regulations of RGUHS and college
- Strict triage was followed and all the safety measures were taken in clinic and hospitals during the pandemic situations
- Most of the students got COVID vaccine as per their schedule
- Students and parents were well versed with the software functioning which gave them updates on students
- Students started utilizing the E library facility
- For Students who had difficulty in completing the clinical quota due to pandemic remedial classes were arranged for them.
