The Institutional Innovation Council (IIC) at Al Badar Rural Dental College and Hospital (ARDCH), Kalaburagi, organized the following workshop.

1. "Entrepreneurship and Innovation" as a career opportunity on October 4, 2022. The event aimed to inspire and educate students about the prospects and challenges of entrepreneurship and innovation in today's rapidly changing world. Dr. Praveen K. Bankur, an esteemed expert from the Periodontology Department, was the distinguished speaker for the workshop. Overall, the workshop was a resounding success. It not only provided valuable knowledge and insights into the field but also motivated and inspired the participants to consider entrepreneurship as a viable career path. The event served as a catalyst for fostering an entrepreneurial spirit among the attendees, and it is expected to have a lasting impact on their future endeavors.
2. A session on Problem Solving and Ideation Workshop was conducted under IIC. ARDCH. On October 26, 2022. The session was chaired by Dr. Arshiya Ara, and the esteemed speaker was Dr. Kiran Ghatole from the Department of Conservative Dentistry and Endodontics. The workshop aimed to enhance the participants' problem-solving skills and foster creativity in generating innovative ideas. Through interactive discussions and practical exercises, Dr. Ghatole enlightened the attendees on effective problem-solving techniques and encouraged them to think critically and creatively. The session proved to be highly insightful and inspiring, providing the participants with valuable tools to tackle challenges and develop innovative solutions.
3. A motivational session titled "My Story Motivational Session by Successful Entrepreneur/Startup Founder" was organized under IIC. ARDCH. The main speaker for the session was Dr. Kiran Ghatole, who shared her inspiring journey of clinic opening and successful administration. Dr. Ghatole captivated the audience with her engaging storytelling, recounting the challenges she faced and the strategies she employed to overcome them. Her story served as a beacon of motivation for aspiring entrepreneurs, highlighting the importance of determination, perseverance, and strategic planning in achieving success.
4. Organized a workshop on "Design Thinking, Critical Thinking, and Innovative Design" on December 13, 2022. The workshop aimed to promote creative problem-solving skills and

Workshop Report: Entrepreneurship and Innovation as a Career Opportunity

Date: October 4, 2022

Time 10.30 am

Venue: Institutional Innovation Council, Al Badar Rural Dental College and Hospital, Kalaburagi

Dr. Praveen Bankur Delivering the talk during the workshop on Entrepreneurship and Innovation as a Career Opportunity

The Institutional Innovation Council at Al Badar Rural Dental College and Hospital, Kalaburagi, organized a workshop on "Entrepreneurship and Innovation" as a career opportunity on October 4, 2022. The event aimed to inspire and educate students about the prospects and challenges of entrepreneurship and innovation in today's rapidly changing world. Dr. Praveen K. Bankur, an esteemed expert from the Periodontology Department, was the distinguished speaker for the workshop.

The workshop commenced at the designated time, with an enthusiastic crowd of students and faculty members eagerly awaiting the insights to be shared. The event began with a warm welcome address by the Institutional Innovation Council, expressing gratitude to Dr. Praveen K. Bankur for gracing the occasion with his presence and expertise.

Dr. Praveen K. Bankur, known for his extensive knowledge and experience in the field, commenced his presentation by highlighting the significance of entrepreneurship and innovation in today's dynamic business landscape. He stressed the need for aspiring entrepreneurs to possess a keen understanding of market trends, consumer demands, and emerging technologies to stay ahead in the competitive market.

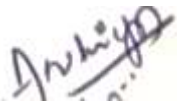

During his talk, Dr. Bankur emphasized the importance of cultivating an entrepreneurial mindset and encouraged students to think creatively, identify opportunities, and take calculated risks. He shared inspiring success stories of renowned entrepreneurs who turned their ideas into thriving ventures, reinforcing the notion that entrepreneurship is a viable and rewarding career path.

Furthermore, Dr. Bankur shed light on the role of innovation in entrepreneurship, explaining how innovative ideas and approaches can disrupt industries, create new markets, and solve pressing societal challenges. He discussed various innovative strategies and techniques that entrepreneurs can adopt to differentiate themselves in the market and gain a competitive edge.

The workshop also included interactive sessions where participants had the opportunity to ask questions, seek guidance, and share their own thoughts and experiences related to entrepreneurship and innovation. Dr. Bankur actively engaged with the audience, providing valuable insights and practical advice tailored to the specific queries raised.

The workshop concluded with a closing remark from the Institutional Innovation Council, expressing their gratitude to Dr. Praveen K. Bankur for his enlightening session and to all the participants for their active participation and enthusiasm throughout the event. They encouraged students to explore entrepreneurship and innovation further and assured ongoing support and guidance from the council in their entrepreneurial endeavors.

Overall, the workshop on "Entrepreneurship and Innovation" organized by the Institutional Innovation Council at Al Badar Rural Dental College and Hospital was a resounding success. It not only provided valuable knowledge and insights into the field but also motivated and inspired the participants to consider entrepreneurship as a viable career path. The event served as a catalyst for fostering an entrepreneurial spirit among the attendees, and it is expected to have a lasting impact on their future endeavors.
