

## **Criterion 4**

### **Infrastructure and Learning Resources**

#### **4.1 Physical Facilities**

**4.1.1 The institution has adequate facilities for teaching - learning. viz., classrooms, laboratories, computing equipment, etc Response:**

#### **Introduction**

Teaching and Learning: ARDCH takes great pride in the fact that it provides admirable infrastructural facilities for the unmatched teaching-learning experience. Lecture halls, demonstration rooms, laboratories, hospital for clinical teaching are fully equipped. The institution possesses the following infrastructures conducive for academic teaching and learning: Air-conditioned Lecture halls with all necessary ICT Facilities an Auditorium with 500 seating capacity for CDE programs, guest lecturers etc. A Seminar Hall with a seating capacity of 50 in each department with options for projecting lecture sessions, seminars, and journal clubs Each of lecture halls is equipped with a projector with a computer system. Facilities for Clinical Learning: There are 8 clinical dental departments where the students can learn the clinical aspects of the curriculum. The clinical teaching-learning happens in these departments, where there is one to one interaction between the students and teachers. There are also Ceramic Labs, Acrylic Lab, and Casting Lab where the student can learn the laboratory based clinical procedures like fabrication of crowns, bridges and other dental prosthesis. The out-patient area, in-patient wards and major and minor surgical theatres are provided with the latest equipment's based on latest technology.

& Hospital, KALABURAG

## TEACHING LEARNING FACILITIES

1. Lecture halls -4
2. AC auditorium with 500 seating capacity
3. Projector and computer in lecture halls
4. Smart board in 1 lecture
5. Seminar rooms with projector -7
6. Anatomy cadaver lab
7. Basic biochemistry lab
8. Microbiology lab
9. General pathology lab
10. Pharmacology lab
11. Oral pathology and oral histology Lab
12. Pre-Clinical prosthodontics lab with Phantom head
13. Advanced Library
14. Internal Quality Assurance cell
15. IQAC board room with smart board

#### **4.1.1 LIST OF AVAILABLE TEACHING LEARNING FACILITIES**

##### **LECTURE HALLS**

State of the art lecture halls with multimedia facilities make the lectures interesting. With LAN and internet (wi-fi) at desk of every student, lectures become more interactive.

Number of classrooms with LCD, wi-fi, Audio video recording facilities -4

Classrooms equipped with smart board - 1

Number of AC Seminar halls with LCD, facilities -7

##### **LABORATORIES**

Our lectures are well supported by hands on experience in the well-equipped laboratories. Each laboratory can accommodate over 90 students. Every lab has a demo room for the students to receive their instructions and conduct small group discussions.

##### **DETAILS OF LABORATORIES**

- I. Physiology laboratory
- II. Biochemistry laboratory
- III. Human anatomy and embryology laboratory
- IV. Oral histology and tooth morphology laboratory

##### **LABORATORIES FOR SECOND YEAR**

- I. General pathology laboratory
- II. Microbiology laboratory
- III. Pharmacology laboratory
- IV. Dental materials laboratory
- V. Pre-clinical Prosthodontics
- VI. Pre-Clinical Conservative Dentistry and Endodontics

**PRINCIPAL**  
**Al-Badar Rural Dental College**  
**& Hospital, KALABURAGI**

Al-Badar Educational & Charitable Trust's  
**AL-BADAR RURAL DENTAL COLLEGE & HOSPITAL, KALABURAGI**

Affiliated to Rajiv Gandhi University of Health Sciences Bangalore &  
Recognized by Dental Council of India (New Delhi)

### **LABORATORIES FOR THIRD YEAR**

- I. Oral pathology and microbiology laboratory
- II. Crown and bridge laboratory
- III. General Surgery
- IV. General Medicine

### **LABORATORIES FOR FINAL YEAR**

- I. Department of oral medicine and radiology
- II. Department of oral and maxillofacial surgery
- III. Department of periodontology
- IV. Department of conservative and endodontics
- V. Department of pediatric and preventive dentistry
- VI. Department of Prosthodontics
- VII. Department of public health
