

4.3.5 In-Person and remote access usage of library and the learner sessions/library usage programmes organized for the teachers and students (data for the preceding academic year)

Students use library facilities during break hours and after 3 pm. All the students who use library facilities enter their name in student register and put signature while leaving the library.

The college library consist of a digital library wing which enables greater access to wide range of well organized data in digital format. The online data base subscribed and web based online catalogue is available in the internet.

In-person and Remote access usage of library:

The college library can be accessed by students and faculty and are monitored by their signature in register. The students and faculty have in person access to the hard copies of books, current journals, back volume journals, audiovisual resources, newspapers and thesis. The library has fully automated the collection which could be accessible through Easylib6.4A.

Library Orientation Program for First Year BDS & MDS students:

A library orientation program is being organized every academic year for the first year BDS and MDS students to orient them on the facilities and services in the library. The students are given a library tour in groups by the member of the library committee showing access to books, journals, dissertation newspaper sections. The students are also shown the access to virtual library for educational reference & electronic database. Step by step hands on the guidance on accessing the digital databases for literature search is demonstrated.
