4.5.2 There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports facilities, computers, classrooms etc.

Response:

The institute has evolved a structured mechanism for the maintenance of physical, academic and support facilities. The infrastructure of the college is efficiently maintained by the various maintenance sections. The budget allotment is made by the Principal and Management based on the requirements.

Classrooms:

The institute provides well-equipped classrooms with high-speed Wi-Fi; students make use of the classrooms only during the lecture hours. The lecture hall is fully equipped with sophisticated seating arrangements for students.

To maintain cleanliness of the classrooms, students are asked not to eat or litter the lecture halls. The electrical fittings and the furniture in the classrooms are always kept in working condition and repair work is attended by the technical staff immediately.

Laboratory:

The college has provided various equipment's installed in the labs and they are maintained by the lab technicians and all major faults in the Machines provided in the labs and operation theatres are taken care of by annual maintenance team.

All minor problems in the equipment's are dealt by the technicians in the labs. In case the equipment becomes unserviceable within its service warranty period, it is returned to the suppliers for calibration service or replacement.

Buildings and Infrastructure:

The maintenance of the buildings includes cleaning, painting, whitewashing and replacement of fixtures & equipment's in the building. There is adequate provision in the annual budget for these expenses. A maintenance team under a supervisor is functioning for undertaking the repair works of buildings and infrastructure.

Similarly, a full-time plumber is available in the college for carrying out plumbing works. Daily cleaning of washrooms and the classrooms is done by house-keeping department which includes scavengers.

Library & Computer Facilities:

The computers used for various functions of the library and other related electronic gadgets are maintained by IT experts who ensure trouble-free performance of the computers. The maintenance of Wi-Fi facilities and updating of hardware and software are effectively carried out by the IT team.

Sports Facilities:

Our college has both indoor and outdoor sports facilities. The stadium has facilities for various sports activities including shuttle, tennis, basketball etc., Students are allowed to utilize the sports facilities after college hours. There is also an outdoor basketball court. All these facilities are maintained by the exclusive staff of the Sports Department.

Other facilities:

The college has a 24-hours electricity backup by Diesel. Generators which assume significance in the light of frequent load shedding and ensure uninterrupted power supply. For the supply of water also, the college has its own bore-well and rainwater harvesting installations and open well, storage tanks, STP plant, and RO system for drinking water.
