INTERNATIONAL STUDENT CELL

The Al-Badar Rural Dental College and Hospital has an International Student's Cell, to give assistance to international students in various series of events that occur during the admission procedure. This cell is made to give experience to the international students of a homely atmosphere.

This cell serves a bridge between India and International students. We cater all the needs of international students by providing them various resources ranging from student Visa and Immigration process to arrival and comfortable stay & accommodation.

We aim to encourage the students from all over the globe to be the part of study in India programme and get benefit from high class education from quality institutions like Al-badar Rural dental college. During this phase we ensure that we help them to achieve their goals and become holistic scholar in their respective fields of interest.

The rules framed by University Grants Commission (UGC) are notified in its website www.ugc.ac.in that will be followed for deciding the eligibility and admission of international students to dental courses (BDS, MDS) of our institute to deal with admission and guidance of international students.

Al-Badar Dental college & Hospital has made a provision for admissions under Foreign/NRI category on fulfilling the eligibility requirements. Foreign/NRI category seats are only available for foreign nationals/candidates with NRI status.

Guidelines for admission of foreign/international students:

1. Should be an international student (foreign student) / Non-Resident Indian (NRI).
2. For foreign students, student visa is mandatory (for NRI not mandatory option).
3. Students must obtain prior security clearance from Ministry of Home affairs and the approval of Department of higher education, Ministry of Human Resource Development, Government of India and this must be on the student visa endorsed to the institution.

Eligibility Criteria:

1. Foreign citizens, person of Indian origin (PIO) card holders, overseas citizen of India (OCI), Non Resident Indian (NRI) and NRI sponsored candidates (sponsored by NRI parents OR brother / sister of parents OR brother / sister of candidates OR grand parents of the candidate OR spouse of the candidate). The sponsor must be foreign national or holding NRI status.
2. Only those students qualified from foreign universities or boards of higher education, recognized as equivalent by the Association of Indian Universities (AIU) are eligible for admission.

Admission for International students:

1. Admission of the International student will be done through the international cell of Al-Badar Dental college & Hospital.
2. Eligible applicants need to certify that the medium of instruction for the qualifying examination passed is English. For applicants who have undertaken studies in a language other than English need to have a valid IELTS score. Once this is submitted, the final admission is confirmed.

Procedure of admission:

1. The students should qualify in the NEET examination for admission in BDS/MDS courses.
2. The International student has to contact administrative wing of Al-Badar Dental College & Hospital, Kalaburagi. Contact Number: 08472- 227610, 220222, 254722 to get the provisional admission offer letter in order to obtain the student visa.
3. Submit the provisional admission letter to the Indian Embassy of the respective country for obtaining the student visa.
4. Submit the below mention documents (In Original along with the attested photocopies) and get them verified by the administrative office of the college.
 - Pass certificate of the qualifying examination.
 - Marks list of the qualifying examination.

- **Student visa** in original.
 - Photocopy of passport duly attested by a notary.
 - The original certificates will be returned to the students after making an endorsement.
5. Students are required to undergo medical fitness examination and get the medical fitness certificate. As per Government rules all international students entering India on student visa must be tested for HIV and will not be given admission, if found to be positive.
 6. For applicants who have taken their studies in a language other than English need to have a valid IELTS score.
 7. Admission of International / NRI students will be confirmed after verification of original certificates, medical fitness test and payment of required fees.
 8. Even after the admission, at any stage if it is noted that the qualifying degree/certificate is not recognised by AIU, the admission of the candidate is likely to get cancelled.

Note: The international students should abide by all the rules of ARDCH and the code of conduct, is as applicable to the Indian students enrolled in the same courses.

The responsibilities of international Student Cell:

1. Organizing Orientation Programme for International Students to make them aware about Indian rules and regulations, Fee structure, Visa and Immigration etc.
2. Providing the Personal Support for academic and non –academic issues through Mentor-Mentee system.
3. Hotel Allocation or Helping to find suitable place of stay.
4. Providing Official Letters and other documentation required for admission and Visa process.
5. Providing the Bi-lingual glossary for easy communication in local language.
