

Piling on the Past,
Nurturing the future

AL-BADAR RURAL DENTAL COLLEGE AND HOSPITAL KALABURAGI

10 YEARS
STRATEGIC
PLAN

2017

2026

Building on the past, **Creating the future**

For more than three decades AL Badar Rural Dental College and Hospital has served the citizens of Kalyan Karnataka Region providing Oral Health Care workforce and care for patients with complex needs.

The college has been recognized since its inception by local clinicians and academicians around the state for its scientific discoveries, academic discipline, and contribution in research publications. The perspective dental professionals and the public at large benefited significantly from the productive services of the college.

We educate the budding oral health care practitioner through evidence and cutting-edge research-based teaching learning process. In very limited time institute has achieved the name in leaps and bounds around the state for its yeoman service for this Kalyan Karnataka Region.

In developing our 10 years strategic plan, we engaged the various stakeholders such as Students, Faculty, Alumni, Parents and Board of Management who contributed at various levels and helped to shape the various aspects of this plan. We also aligned this plan with the vision and mission of the college. Our strategic plan reflects the aspirations of our ARDCH Family in creating a future we all can be proud of!

Hence, the journey continues.....

VISION, MISSION, AND CORE VALUES

Vision : To provide access to quality higher education in health sciences and related areas, to create a vibrant knowledge and inspiring leaders of tomorrow who can take the country to the forefront amongst the developed nations.

Mission : To achieve academic excellence in professional education on par with the leading national and international institutions.

- Focus on practical aspects of the course material so as to make learning a meaningful and interesting experience in our intellectually stimulating campus.
