MYSORE

Dear Sir,

We are proud to inform you that **34th NATIONAL CONFERENCE OF IAOMR** will be held in Davanagere from 1st to 3rd December 2023. The theme of the conference being **"EMBRACE – EXPLORE - ENCORE"**. As many oral physicians are learning and practicing the use of technology it will be appropriate to enhance their skills. So this Conference is the perfect platform for OMR specialists across, India and overseas, to share their knowledge, meet their colleagues who share the same interest and above all it is a platform for traders to showcase their products and also a platform to know about various dental products.

The smart city Davanagere with two Dental colleges and a large Alumni base under its belt is known for its hospitality, it would be a fun filled fantastic event. Davanagere has the experience of hosting various national and state level conferences in the past.

The alumni base of the college is more than 250 members and this conference should bring in maximum crowd from across India and Overseas. The expected delegates participating in the conference will be more than 700.

Subject: "Proposal for Abacus and Vedic Mathematics Excellence Award Program and parents workshop Sponsorship Opportunity"

Dear Sir,

We are delighted to announce our upcoming "Abacus and Vedic Mathematics Excellence Award Program" and "Art of Parenting Workshop," scheduled for January 7, 2024. This event anticipates the participation of 10,000 students and parents who share a profound passion for education and skill enhancement.

Our primary objective is to provide a robust platform for education enthusiasts. In this regard, we extend an invitation to potential sponsors to join us in this noble endeavor.

The success of our initiative significantly relies on your valued sponsorship. As an expression of our gratitude, we are pleased to offer certificates featuring your organization's name during our event.

Benefits of Learning Abacus and Vedic Mathematics:

- **Enhanced Mental Math Skills:** * Abacus and Vedic Mathematics methods cultivate mental agility, thereby enhancing calculation and problem-solving abilities.
- **Brain Development:** * These techniques stimulate both hemispheres of the brain, leading to improved concentration, memory, and cognitive prowess.
- **Cultivating Logical Thinking:** * They promote analytical thinking, facilitating a deeper understanding of mathematical concepts.

Importance of Art of Parenting Workshops:

- **Empowering Parents:** * These workshops equip parents with essential skills, fostering effective communication and a profound understanding of their children's needs.
- **Creating Supportive Environments:** * Techniques shared in these workshops contribute to nurturing children's emotional and intellectual growth.

Impact on Society:

- **Education Enhancement:** * The implementation of such courses contributes to the establishment of a more advanced and diverse educational system, promoting holistic development among children.
- **Cultivating Future Leaders:** * These initiatives play a pivotal role in producing individuals equipped with well-rounded skills crucial for the progress of society.
- **Strengthening Family Units:** * Parenting workshops aid in establishing healthier family dynamics, significantly contributing to a more cohesive society.

We firmly believe that together, we can inspire positive change in the realm of education and skill enhancement. For your esteemed support, please reach out to us at 7899193002, 9341838333, or visit srjinstitution.com.

Sincerely,

We extend our gratitude for considering our request.
