LIQUID WASTE MANAGEMENT:

The entire liquid waste generated by the institution is treated in the STP plant in the campus of institute. Effluent treatment is done as per the norms of Karnataka pollution board.

BIOMEDICAL WASTE MANAGEMENT:

Biomedical waste is the waste that contains infectious materials. There is a biomedical waste management unit in Al-Badar Rural Dental College and Hospital with a Memorandum of Understanding with CHUBS, Kalaburagi since 2020. All the departments have been provided with different colour code bags. The nursing staff, technicians and attenders have been educated and trained regarding segregation of wastes. Each day at the end of the college hours, the attenders transport the entire biomedical waste to the central collection unit. The same waste is collected thrice weekly by the biomedical waste van and is transported to the CHUBS, Kalaburagi. The MOU is renewed every year with CHUBS, Kalaburagi and amount for collection and dispensing of biomedical waste is paid to the CHUBS, Kalaburagi.
