## **Report on World Oral Health Day**

### **Event Planned:**

The department of Public Health Dentistry had organised the rally and street play on the theme '*Healthy Body, Healthy Mouth*' to observe *World Oral Health Day* on 20<sup>th</sup> March 2017.

### **Brief outline of the event:**

As per the vide circular by Ministry of Health & Family Welfare, Al-Badar Dental College & Hospital commemorated *World Oral Health Day* on 20<sup>th</sup> March 2017. The Principal adumbrated and given responsibility of organising the event to the Department of Public Health Dentistry. Necessary permission required was sought by the local administration and security arrangements were made couple of days before the event. The local media had been informed about the purpose and plan of the event.

On the day of the event, staff and students were enthusiastically gathered in the premises of the institution around 8:00 in the morning of 20<sup>th</sup> march, it was beautiful Monday. With intoning of various slogans on the *Oral health and healthy practices*, staff and students boarded the Institution buses, which reached the destined start point for the rally at 8:30 am. The Principal addressed the gathering about the discipline to maintain during course of the event briefly, after each one has arrived to the beginning point, rally begun with cantillating of slogans. The rally begun from the Sardar Vallabhai Patel Chowk also known as Timmapuri Chowk, traversing almost 1km ended at Mini Vidhan Soudha or DC office. Two of the students held the Banner at the front of the rally, bearing name of the institution along with theme of the event. The Staff, mainly principal and vice principal were leading the rally from the front followed by PG and UG students.

At the end point, in front of DC office, students performed Street Play based on the theme of the event '*Healthy Body, Healthy Mouth*'. The students educated the gathered mass on importance of the oral health and its relation to overall health through Street play. The street play lasted for 10 min; at the end one of the students concluded the event.

07<sup>th</sup> April 2017

**Event 1: World Health Day****Date:** 07/04/2017**Time:** 10:00 am to 11:30 am**Objective:** To conduct guest lecture on the topic *Stress Management*.**Brief outline of the event:**

World Health Day, celebrated on 7 April every year to mark the anniversary of the founding of the World Health Organization, provides us with a unique opportunity to mobilize action around a specific health topic of concern to people all over the world. The theme of our 2017 World Health Day campaign is depression. Depression affects people of all ages, from all walks of life, in all countries. It causes mental anguish and impacts on people's ability to carry out even the simplest everyday tasks, with sometimes devastating consequences for relationships with family and friends and the ability to earn a living.

The 'World Health day' is observed on 7<sup>th</sup> of April every year to commemorate formation of WHO. In this regard the Department of Public Health Dentistry organised an informative guest lecture. The permission required for the conducting the event sought from the Principal and the Management.

On the day of event (07<sup>th</sup> April), students and staff were invited to the auditorium for the guest lecture. at around 10:00 am. The event inaugurated with verses from the holy Quran followed by lighting up of lamp by dignitaries on the dais. Thereafter Dr. Aditya Rao Introduced the speaker to audiences. The speaker Dr. Rahul Mandaknalli, Psychiatrics delivered his lecture and responded to the audience queries. Then Dr. Mahesh Hiregoudar delivered vote of thanks and event was concluded.

'NO TOBACCO DAY'  
31<sup>st</sup> MAY**

**Events carried out:**

1. No tobacco day rally
2. Oral cancer screening camp

**Event 1: No Tobacco Day rally****Date:** 31/05/2019**Time:** 9:00 am to 10:30 am

**Objective:** Conducting rally from Lahoti Petrol Bunk to Mini Vidana Soudha of Kalaburagi City, creating awareness by exhibiting placards, banners and slogans.

**Brief outline of the event**

“World No Tobacco day is observed by World Health Organization every year on 31<sup>st</sup> May with innovative theme. The theme for 2019, world no tobacco day is **TOBACCO AND LUNG HEALTH**.

The ‘World No Tobacco day’ is observed to create awareness among the people on the harmful effects of tobacco use and to discourage the use of tobacco in any form. In this context, the Department of Public Health Dentistry in collaboration with other departments of Al-Badar Dental College & Hospital had planned to conduct rally on 31<sup>st</sup> May 2019. The permission required for the conducting rally sought from the station bazaar police station.

On the day of event (31<sup>st</sup> May), students and staff gathered, near reception area of the college at around 8:45 am. The participants for the rally boarded college bus to reach designated starting point of the rally, i.e. Lahoti Petrol Bunk. At 9:00 am rally started from the Petrol Bunk, Principal and other staff were leading the rally from the front, students held placards that carried messages on adverse effect of Tobacco. Participants stressed on the need for leading a healthy life without tobacco and called for a stronger voice against tobacco consumption. The rally traversed to reach Mini Vidana Soudha (DC office).

The Principal and senior staff submitted the memorandum requesting to impose complete ban on all forms of tobacco to the district authority. The authority received the request and promised to forward it to the Ministry of Health, Govt. of Karnataka.

On

**‘World No Tobacco Day’**

**31<sup>st</sup> May 2021**

**Event 1: World Cancer Day****Date:** 31/05/2021**Time:** 10:00 am to 11:30 am

**Objective:** To conduct Virtual guest lecture (CDE) on the topic '*Tobacco Cessation - A professional update*'

**Brief outline of the event:**

Tobacco causes 8 million deaths every year. Evidence released this year shows that smokers were more likely to develop severe disease with COVID-19 compared to non-smokers. The COVID-19 pandemic has led to millions of tobacco users saying they want to quit. Commit to quit today and sign the pledge.

**Commit to Quit:** Quitting can be challenging, especially with the added social and economic stress that have come as a result of the pandemic, but there are a lot of reasons to quit. Worldwide around 780 million people say they want to quit, but only 30% of them have access to the tools that can help them do so.

The Dental Council of India, made mandatory to every dental institution in India to run tobacco cessation unit, wherein all the undergraduate and post graduate students are trained to counsel the tobacco abusers who want to quit. To upgrade existing knowledge and update professional skills required for tobacco cessation and counseling, Department of Public Health Dentistry organized CDE/guest lecture on virtual platform. To this very event we had invited Dr. Subramaniam Professor, Indira Gandhi Institute of Dental Sciences Kothamangalam, Kerala and Dr. Pooja Latti Reader, Annoor Dental College & Hospital, Muvattupuzha, Kerala as guest speakers to impart knowledge on '*Tobacco Cessation - A professional update*' on World No Tobacco Day. After formal welcoming and introduction by Dr. Mahesh Hiregoudar, the principal addressed the platform and inaugurated the virtual program. Dr. Subramaniam delivered lecture on **Role of dental professionals in tobacco control** and later Dr. Pooja Latti concluded the webinar with her talk on **Professional Intervention in Tobacco Control; An update**. The participants are awarded with e-certificates.

**Awareness Program: SMS**

(Social Distancing & Wearing of Mask and Hand sanitization)

**Year:** 2020-2021

**Event:** The Al-Badar Dental College & Hospital had organized Mask distribution awareness program at Taj Sultanpur village on 1<sup>st</sup> July 2021 to mark Doctors day. The introductory speech delivered by Dr. Sandeep, Dr. Khaja & Dr. Rahman to the gathering. The people were asked to use the mask regularly and follow social distancing on regular basis and were explained how to sanitize their hands. To make it simple to comprehend and to practice, program was titled SMS, meaning

**Awareness Program: Covid Vaccination**

**Year:** 2020-2021

**Background:** The hesitation towards COVID-19 vaccine remains a problem in India especially in rural areas. Lack of knowledge, hearsay about vaccine side effects, are some leading obstacles for the COVID-19 vaccine campaign.

**Event:** The awareness program was organized by Al-Badar Dental College at Khandal village, as a part of vaccination awareness campaign. Through the campaign we encouraged people to get vaccinated and educated the villagers about the importance of vaccination, and how they can contribute to break the chain transmission to fight against the pandemic. Dr. Sandeep explained about the registration procedure for vaccination. Later he concluded with explaining the effects and importance of Covid vaccination. Overall. The participants responded positively for vaccination. Dr. Rahman and Dr. Khaja encouraged the people by distributing mask; students of the college were present throughout the camp.

**REPORT**

On

**‘World Cancer Day’**

**05<sup>th</sup> February 2018**

**Event 1: World Cancer Day****Date:** 05/02/2018**Time:** 10:00 am to 11:30 am**Objective:** To conduct guest lecture on the topic *Head & Neck Cancer and Prevention*.**Brief outline of the event:**

Head and neck cancer is common in South-East Asian countries. The primary risk factors associated with head and neck cancer include tobacco use, alcohol consumption, human papilloma virus (HPV) infection (oropharyngeal cancer), and Epstein-Barr virus (EBV) infection (for nasopharyngeal cancer). The chronic exposure to these carcinogenic factors can result in dysplastic or premalignant lesions in the oropharyngeal mucosa and ultimately result in head and neck cancer.

The global cancer community commemorates World Cancer Day, on February 4, with the slogan "We can. I can". ABDCH joins this effort to promote how everyone, together or individually, can help reduce the global burden of cancer, focusing on prevention by reducing risk factors, and control, by improving access to early diagnosis and adequate treatment. In this regard the Department of Public Health Dentistry organised an informative guest lecture. The permission required for the conducting the event sought from the Principal and the Management.

On the day of event (05<sup>th</sup> February), students and staff gathered, in the auditorium of the college at around 10:00 am. The event inaugurated with verses from the holy Quran followed by lighting up of lamp by dignitaries on the dais. Thereafter Dr. Mahesh Hiregoudar Introduced the speaker to gathering. The speaker Dr. Gururaj Deshpande Onco-surgeon fervourly delivered his lecture and got very good response from the audience. Then Dr. Sharanprakash delivered vote of thanks.
