DEPARTMENT OF PREVENTIVE AND COMMUNITY

The awareness programme was conducted on the topic of "Understanding the Basics of IPR" by the department of Oral Pathology on 21/01/2020 in the lecture hall 3 co-ordinated by Dr. Deepa Hugar chaired by the Principal & Dean, Dr. Girish Katti. The programme started at 9:00 am. Opening remarks and introduction was given by Dr. Erika Else continued with the lecture by Dr. Deepa Hugar. She shared her expertise in the topic and emphasized on the importance of Intellectual Property Rights. She also mentioned the different scenarios for IPR as when and where we should give IPR. The seminar was more focused on the research activities and the dissertation preparations and obtaining IPR for the same. Sir also explained in detail about the IPR importance in research publication for long and short term studies.

The seminar was in 2 parts with a small break in between each session followed by high tea. The valedictory function was organised soon after the seminar got over and all the participants were presented the certificates. The thanking note was given by Dr. Ameena Sultana and the programme was wrapped up around 3 pm.
