

ALUMNI ASSOCIATION

The Alumni Association of the Institution is a registered body, which holds regular meetings to plan and execute progressive activities with the support of the institution. The Alumni association of the Institution is a dynamic body, which constantly puts in efforts to engage with a variety of developmental activities with support of the institution.

The Alumni association has been functional since 2016 but has been officially registered under the Schedule-A of the Registration of Societies under the Karnataka Societies Registration Act 1960 on 26th of March 2021.

We desired to form ourselves into a society under this Act with the name AL-BADAR DENTAL COLLEGE ALUMNI ASSOCIATION @ Al-Badar Dental College Campus, Naganahalli Rd. Kalaburagi 585103, on 26/03/2021 under the Presidentship of Dr. Arshad Hussain, with Dr. Syed Zakaullah as its Vice President, Dr. Shereen Fatima as its Treasurer, Secretary and Joint Secretary being Dr. Parvez Abubakar and Dr. Mohammed Tasveem Ustad respectively and 12 others as its members. The alumni association meets officially once in a year, with more frequently other than the scheduled official meet.

Alumni are the flag bearers of any institution that they graduate from. We have come across many institutions declaring the list of their notable Alumni as a way of connecting their achievements and success with what the college has provided to them. In today's era social networking is the best way to connect with the past students to build a strong & positive relationship with their Alumni so that they can benefit socially, academically and professionally. We at ARDCH, try to ensure that all Alumni actively participate in the institution's progressive activities. A strong Alumni brigade is itself the best professional networking platform available, whose support & guidance is quite helpful for many students and fellow Alumni to excel in their respective areas of interest.

AL-BADAR RURAL DENTAL COLLEGE & HOSPITAL, KALABURAGI

Affiliated to Rajiv Gandhi University of Health Sciences Bangalore &
Recognized by Dental Council of India (New Delhi)

The Alumni pro-actively participate by providing the necessary feedback about the college curriculum for better quality enhancement. The college invites alumni to visit the college under one forum for highlighting their achievements since graduating from the college. The ARDCH Alumni network helps in placement opportunities to the students. Many of our Alumni are placed at the best institutions & organisations that are keen to hire capable professionals and such placement opportunities are fully provided and are always welcome by our Alumni.

Our Alumni have made donations to the college as an appreciative gesture for their alma mater to support them for their academic development. The Alumni's voluntary support and contribution to the college has been significant in maintaining and expanding the institutions progress & domain.

The Alumni of our institution have had a positive role in encouraging students, especially their nearer & dearer ones to consider the institution as their first choice for the professional education. Success of the Alumni is a significant factor which motivates other students to choose the same college for their education. Hence, creating a positive outlook in the whole student recruitment process for the institution. The Alumni opinion has always been beneficial for the development of the institution and proposed solutions to the hic-cups faced in the due course of the institutional functioning, which are highly valued by the institution in achieving its goal and vision.
