LIBRARY ANNUAL PROCEEDINGS
COMPREHENSIVE SUMMARY OF THE PROCEEDINGS OF THE
LIBRARY COMMITTEE FOR ALLOCATION AND UTILIZATION
OF FUND

The Al-Badar Dental College and Hospital library has huge collection of learning materials for faculty and students. This includes books, reference books, journals, e-journals, newspapers, magazines & various internet resources.

Objective:

Effective inclusion and use of funds for library books, journals e-journals based on the curriculum for students.

Preparation:

The library committee prepared the books and journals requirement for the next academic year. The librarian monitored the selection and acquisition of books & journals list for the library from various vendors. The list was prepared by the library members of dental departments after taking into account the requirements and opinions of the heads of the departments. The list was approved by the Head of the Department of each department and forwarded to the Library Co-chairman. The Co-chairman discussed the requirement, reviewed and finalised the list with the committee members. The list was sent to the principal who then reviewed. The list was forwarded the accounts department for final approval and sanction of funds.

Requirement:

Every year the requirement of books and journals is decided based on the curriculum and the estimates are prepared based on present needs and future requirements.

All the latest edition of books pertaining to all dental specialties and allied subjects are taken into consideration for updating both the central and department library. Journals in print copy are subscribed annually based on requirement of dental departments.
